

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

NATHANIEL PARKER
Petitioner

United States District Court
Criminal No. 00 – 315 - 01

vs.

UNITED STATES OF AMERICA
Respondent

United States District Court J.
Mitchell S. Goldberg

**PETITIONER'S PETITION REQUESTING THE COURT TO
EXPEDITE ALL PENDING MATTERS RELATED TO PETITIONER'S RENEWED
MOTION FOR ORDER NUNC PRO TUNC**

To The Honorable Judge

NOW COMES, Petitioner Nathaniel Parker (Pro Se), who respectfully moves this Honorable Court requesting that all pending matters related to petitioner/defendant's **"Renewed Motion for Order Nunc Pro Tunc"** be expedited. This petition is being submitted because the petitioner's motions and related proceedings have been pending before this Honorable Court since **(May 4, 2010)** with all due respect unreasonably long. Petitioner/Defendant's initial motion

to the court is one which is actionable based upon a priori the former Judge Bruce W. Kauffman court, requesting this court to journalize Judge Kauffman's previous in court **"forfeiture ruling"(Docket # 94)** To Wit Defendant's Motion for Immediate Return of All Properties Seized Criminal Action # 00 – 315 – 01 in favor of the instant petitioner/defendant, addressed during the sentencing phase of the proceedings on **(January 15, 2002) Filed (January 23, 2002)** with the clerk's office.

And of course, while all of this has been pending the U.S. Attorney's Office was fully aware of Judge Kauffman's in court ruling and failed under its sworn constitutional oath and professional duties, but instead engaged in an "act or omission tending to obstruct or interfere with the orderly administration of justice, impaired the dignity of the court or respect for its authority." Subsequently, it is also the U.S. Attorney's Office obligations to aid the court, apparently there is clear evidence of contumacy, this case should have been resolved years ago. The amount of U.S. currencies involved absent of federal interest rates on the (\$) dollar is approximately; **(\$748.96)**, which the U.S. Attorney's Office claims that the monies is being held by the City of Coatesville, Pa. Police Department, did in fact

waived jurisdiction over any materials or evidence regarding this case through the Chester County District Attorney's Office as of **(May 2000)**. And to further add all court ordered pleadings has been submitted to this court since **(March 2011)** with the exception of the Petitioner's Request for Appointment of Counsel in regards of this matter.

WHEREFORE, The instant Petitioner Nathaniel Parker, (Pro Se) Crim. Action No. 2:00-cr-00315-01 hereby submit and requests this Honorable Court **Mitchell S. Goldberg**, to expedite all pending matters related to petitioner's renewed motion for order nunc pro tunc, and journalize former Judge **Bruce W. Kauffman's January 15, 2002 in court order** and order the U.S. Office to immediately collect all remaining U.S. currencies in the amount of (\$748.96) and return it to the petitioner.

Date: JUNE 26, 2012

Respectfully Submitted,

Nathaniel Parker
